

# OCTOBE

## 5th Grade

### MATH

Currently students are working on fractions! This is a broad unit, and covers the relationship between fractions and division, as well as multiplying and dividing fractions and mixed numbers. Real world examples involve sharing food, cooking, etc.

### ELA

Currently students are working on the first module for ELA: Stories of Human Rights. They have been reading “Esperanza Rising” and making connections between the text to the Universal Declaration of Human Rights.
